Considering Graduate, Business or Law School?

- The *GRE*[®] General Test is used **around the world** for:
 - Master's programs
 - Specialized master's in business programs
 - Certificate in law programs
 - MBA programs
 - JD programs
 - Doctoral programs
 - Awarding fellowships
- Scores are good for 5 years!

General Tips and Strategies

- Become familiar with question formats and directions beforehand.
- Be aware of time.
- Make sure you understand what each question is asking by reading each question thoroughly and reading all answer choices before answering. There is no credit for partially correct answers.
- Answer every question, even if you have to make a best guess.
- Use knowledge you have to figure out answers to unfamiliar questions.

General Tips and Strategies (continued)

- Do not waste time on questions you find extremely difficult, since no question carries greater weight than any other.
- Do not spend too much time on the review screen, as this will take away from the time you have to spend on the test questions.
- Check the review screen before finishing a section to ensure you have answered all questions.

Overview of the *GRE*[®] General Test

A Closer Look at the Analytical Writing Measure

- Assesses critical thinking and analytical writing skills
- There are two writing tasks:
 - **Analyze an Issue** – Requires you to analyze an issue and develop an argument with reasons and/or examples to support your position
 - **Analyze an Argument** – Requires you to assess the logical soundness of a given argument according to the specific task directions
- Essay responses are typed
 - Basic functions include: insert text, delete text, cut and paste, and undo the previous action

Analytical Writing Tips and Strategies

- Review the scoring guides for each task to gain a deeper understanding of how readers evaluate essays and the elements they are looking for in an essay.
- Practice writing under timed conditions.
- Pay close attention to the specific task directions, and make sure that your essay response addresses the specific instructions.
- Organize your thoughts and prepare an outline.

Analytical Writing Tips and Strategies (continued)

- On the Issue task, you should support your position on the issue with reasons and examples drawn from your reading, experience, observations and/or academic studies.
- Leave a few minutes at the end of each task to read what you have written and make any revisions that you think are necessary and to check for obvious errors.
- Avoid excessive irony or humor in your essay responses because it may be misinterpreted by readers.

A Closer Look at the Verbal Reasoning Measure

- Assesses your ability to understand what you read and how you apply your reasoning skills
- Question types include:
 - Reading Comprehension
 - Multiple Choice – select one answer choice
 - Multiple Choice – select one or more answer choices
 - Select-in-Passage
 - Text Completion
 - Sentence Equivalence

Verbal Reasoning Tips and Strategies

- Read passages to get an overall sense of them before answering questions that pertain to them.
- Answer strictly on the basis of what a passage says — do not rely on outside knowledge.
- After choosing answer choices for a question that contains blanks, reread the whole passage to be sure it makes sense.
- Try to fill in blanks with your own words and find answer choices that match.
- Identify words or phrases that seem particularly significant.

Where Can I Find *GRE*[®] Level Reading Materials?

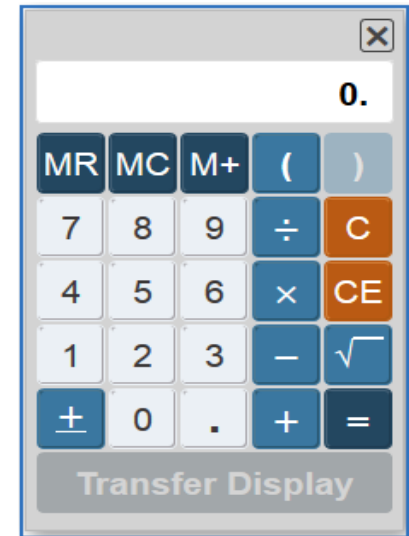

- *GRE*[®] Reading Comprehension questions assess a test taker's ability to
 - identify a passage's purpose and main idea
 - recognize specific points made in a passage
 - recognize assumptions underlying a passage's argument
 - draw inferences and conclusions based on a passage
 - evaluate a passage's logic and rhetoric
- In order to support questions that assess these skills, a GRE Reading Comprehension passage has to be logically and rhetorically complex; it cannot merely be a collection of facts or assertions.

Where Can I Find *GRE*[®] Level Reading Materials? (continued)

- Look for material that presents an argument supported by reasoning and/or evidence. Such material can be found in a variety of places:
 - Specialized academic journals
 - Feature articles in newspapers and periodicals such as *The New York Times*, *The Economist*, *Scientific American* or *London Review of Books*
 - Trade books by experts and journalists for general audiences
- Textbooks and popular periodicals generally do not demonstrate the kind of complexity that is found in *GRE*[®] Reading passages.

A Closer Look at the Quantitative Reasoning Measure

- Assesses your ability to interpret and analyze quantitative information and solve problems using mathematical models
- Question types include:
 - Quantitative Comparison
 - Multiple Choice, select one answer choice
 - Multiple Choice, select one or more answer choices
 - Numeric Entry
- Focuses on basic mathematical skills and elementary mathematical concepts
 - Arithmetic
 - Algebra
 - Geometry
 - Data analysis

**On-screen
calculator
available**

Quantitative Reasoning Tips and Strategies

- Geometric figures may not be drawn to scale, so avoid estimating sizes by sight or by measurement on such figures.
- If applicable, draw your own diagram or figure, or make a list to help sort out what the question is asking.
- When appropriate, avoid lengthy calculations by rounding numbers before computing an estimate, by looking for comparisons, and by recognizing and continuing numerical patterns.
- Evaluate your progress and switch to a different strategy if you get stuck or if a solution seems to require an inordinate amount of time.
- After arriving at an answer, reread the question to make sure your answer is reasonable, given what was asked.
- Review additional problem-solving strategies available at www.ets.org/gre/quantstrategies.

1 SECTION	2 SECTIONS	2 SECTIONS
2 TASKS TOTAL	20 QUESTIONS PER SECTION	20 QUESTIONS PER SECTION
30 MINS PER TASK	30 MINS PER SECTION	35 MINS PER SECTION

The test also includes:

- Either an **unscored** section or a **research** section that does not count toward your scores
 - If you get an unscored section, you will not know which one it is, so try your best on all the sections
 - If you get a research section, it will always be last and will be clearly marked

Approximate total testing time = 3 hours and 45 minutes (plus timed breaks)

A Closer Look at the Test-taker Friendly Design

The screenshot displays the GRE Test Preview Tool interface. At the top, a navigation bar includes buttons for 'Exit Section', 'Calc', 'Mark', 'Review', 'Help', 'Back', and 'Next'. Below this, a status bar shows 'Section 3 of 3 | Question 8 of 11' and a timer at '00:33:45'. The main content area contains a math problem: 'A merchant made a profit of \$5 on the sale of a sweater that cost the merchant \$15. What is the profit expressed as a percent of the merchant's cost? Give your answer to the nearest whole percent.' An input box contains '33%'. An on-screen calculator is open, showing '0.333333'. A footer note reads: 'Enter your answer as an integer or a decimal in the answer box. Backspace to erase.'

Review

This page presents information about questions in the current section. You may sort the questions by **Number**, **Status**, and **Marked**. The question you were on is selected and highlighted by default. Questions you have encountered have a status of **Answered**, **Incomplete**, or **Not Answered**. An **Incomplete** status indicates you have selected more or fewer options than the question requires. Questions you have not encountered have a status of **Not Encountered**. Marked questions are indicated with a ✓.

To return to the question you were on, select **Return**. To go to a different question, select that question and select **Go to Question**. You will be unable to go to questions that have a status of **Not Encountered**.

More About the Verbal Reasoning and Quantitative Reasoning Sections

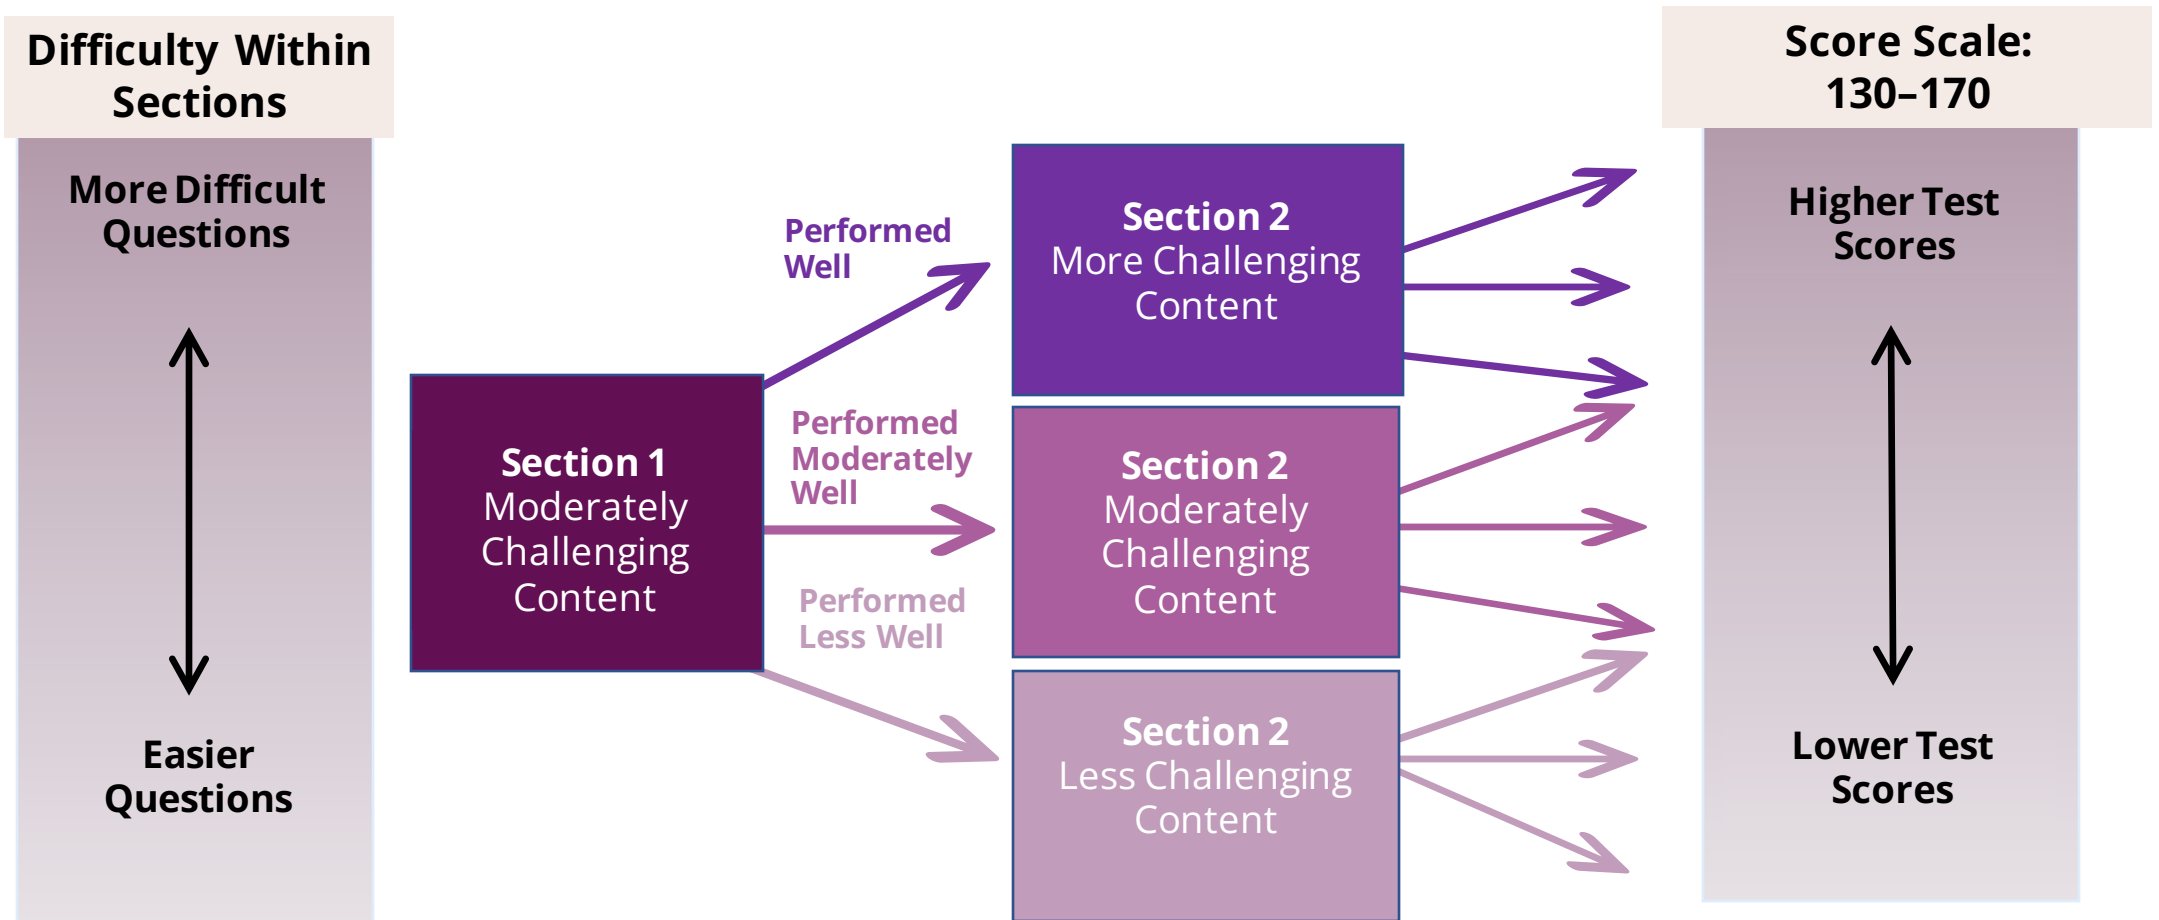

What does section-level adaptive mean?

- The computer selects the second section of a measure based on your performance on the first section.
- Within each section, all questions **contribute equally** to your final score.
- Both sections are important, since the final score on each measure is based on the **total number of correct answers** and the **level of difficulty of the questions**.

Myth buster!

Points are not deducted for wrong answers, so it is ALWAYS better to guess than to leave an answer blank.

How Section-Level Adaptation Works

GRE[®] General Test Scores

Three scores are reported on the following score scales:

0-6,
in half-point
increments

130-170,
in 1-point
increments

130-170,
in 1-point
increments

Scores are good for five years.

Registration Tips

Getting Started

Important tip: Register early!

- If you register early, you are more likely to:
 - Get your preferred testing location, date and time.
 - Create a preparation plan focused on your test date timing.
- To register, you will need to create an ETS Account at www.ets.org/mygre
 - You will use your ETS Account to register and view your official scores online when they are available.
 - You can also sign up for the *GRE*® Search Service to help schools find you.
- Prior to registration:
 - You should review the *GRE*® *Information Bulletin* for ID requirements, policies, etc.
 - If you need accommodations, be sure to request them in your ETS account. Accommodations must be approved prior to test registration.

GRE[®] Fee Reduction Program

- ETS provides the GRE[®] Fee Reduction Program for individuals who demonstrate financial need, individuals who are unemployed and for programs that work with students from underrepresented groups, first-generation college students, and students with financial need.
- A Fee Reduction Voucher may be used to register for one GRE[®] General Test and/or one Subject Test.
- Voucher users pay 50 percent of the regular test fee.
- All test takers receiving a GRE[®] Fee Reduction voucher for the GRE[®] General Test also receive a **FREE** voucher for the following GRE test preparation materials, a \$100 value:
 - POWERPREP PLUS[®] Online practice test 1 (\$40 value)
 - POWERPREP PLUS[®] Online practice test 2 (\$40 value)
 - ScoreItNow![™] Online Writing Practice (\$20 value)

www.ets.org/gre/grefeereduction

ID Documents

When you create your ETS Account and register, have your ID handy.

- Each country has specific official ID requirements for testing.
 - View ID requirements in the *GRE® Information Bulletin* or on the *GRE®* website.
- The name you use when registering **MUST** exactly match your ID documents (excluding accents).
 - Ensure the spellings exactly match.
 - Be sure to provide your entire first (given) name.
 - Do not register using a nickname or with only a first initial.
 - You must supply your entire last (family/surname) name.
 - If you have a two-part last name, you need to be sure to supply your complete last name as it appears on your ID documents (excluding accents).

Let's Look at an Example

- For example, the last name Fernandez de Córdova should be entered as Fernandez de Cordova

▪ First/Given Name	<input type="text" value="Jose"/>
▪ Middle Initial	<input type="text"/>
▪ Last/Family Name	<input type="text" value="Fernandez de Cordova"/>

The screenshot shows the 'My GRE Home' dashboard for a user named Melissa Book. The page is divided into several sections:

- Important Notifications:** A light blue bar at the top of the main content area.
- My Tests:** A section containing a blue button labeled 'Register / Find Test Centers, Dates', which is highlighted by a yellow arrow. Below it is a yellow box stating 'There are no upcoming tests scheduled.' and a link to 'View All My Tests'.
- Test Preparation:** A section with links for 'Free Test Preparation', 'Shop for Test Preparation', and 'My eBooks and Services'.
- Getting Ready for Test Day:** A section with links for 'Identification Requirements' and 'Test Center Procedures and Regulations'.
- Scores:** A section with links for 'View Scores and Score Recipients', 'Send Additional Score Reports', and 'GRE Diagnostic Service'.
- Orders:** A section with a link for 'View My Orders'.
- Test Takers with Disabilities or Health-Related Needs:** A section with links for 'More Information' and 'My GRE Accommodations'.

At the bottom left of the dashboard is a blue 'Back' button. The top navigation bar includes 'Home' and 'Sign Out' links, and a secondary bar shows the user's name and account ID along with links for 'Test Taker Home', 'Testing Programs', 'Account Preferences', and 'View Cart'.

The *GRE*[®] General Test is Administered in Test Centers Worldwide

- In most regions of the world, the test is available on a continuous basis throughout the year.
 - The test is delivered on a desktop computer with a full-screen monitor, mouse and keyboard.
- The test is normally available at more than 1,000 test centers in more than 160 countries.
- View test center locations and seat availability at **www.ets.org/gre/testcenters**.

You Can Also Take the *GRE*[®] General Test from the Safety of Home

- It's available everywhere that the test is normally available, based on the country of your account address, except Iran.
- Identical in content, format and on-screen experience to the usual testing experience, so that you don't need to change how you study for the test.
- Same test fee and payment options, including vouchers.
- Same score scales, score report and score reporting options.
- Accessible, with extended time, extra breaks, screen magnification, selectable colors and other accommodations available.
- Monitored and recorded online through use of live human proctors and artificial intelligence technology through ProctorU[®].

Registration Process for the At Home Test

Register in your ETS Account:

- Log in and select Register.
- On the Find Test Centers and Dates Page, select **Test at Home**.
- Verify your email address, then continue.
- Next, confirm your time zone. Then, choose a test date and time.
- Confirm appointment details.
- Continue your registration and pay for the test.
- Keep this email safe, it contains the link to start your test on test day!

What to Expect On Test Day: At Home Test

At Home Test: What You Need to Bring

- You must have acceptable and valid ID with your name, signature and photograph. ID requirements are strictly enforced.
- A mirror or mobile phone, to show the proctor your screen during check-in.
- Note-taking materials, which can be:
 - A whiteboard with an erasable marker
 - One blank piece of paper inside a transparent sheet protector with an erasable marker

Small Whiteboard

Transparent Sheet Protector

At Home Test: Before the Start of the Test

- Run a final ProctorU systems check and fix any issues before you attempt to check in for your test. All issues must be resolved before your appointment time.
- Close all browsers and applications not needed for the test to help prevent bandwidth issues while you test.
- Make sure any other devices in your home that use internet are not running.
- When it's time for your test, log in using the Start Your Test link in your confirmation email, or the At Home Check-in link in your ETS account.
 - If you are more than 12 minutes late, your test will be cancelled.

At Home Test: Before the Start of the Test (continued)

- The proctor will ask you to:
 - Show your ID
 - Show your computer screen using a small mirror or your mobile phone
 - Show a 360-degree view of your room using your computer camera
- Your entire session will be recorded by ProctorU and monitored by a human proctor, and your photo will be taken.

At Home Test: During the Test

- Make sure you can always be seen on camera by the proctor.
- Avoid doing anything that may look suspicious, like talking out loud or looking away from the screen.
- There is an optional 10-minute break after the third section and one-minute breaks between the remaining sections of the test. These break times cannot be exceeded.
 - You are allowed to leave your seat during the 10-minute break. You must return on time.
 - You are required to remain in your seat for the one-minute breaks.
 - Unscheduled breaks during the at home test are not allowed.
- Artificial intelligence technology will verify your ID throughout the test, and when you return after your break.

At Home Test: During the Test (continued)

- If you need to contact the proctor during your test, speak to get their attention and/or use the LogMeIn chat. It may take 30–60 seconds for the proctor to reply.
- If the proctor is attempting to chat with you, the blue owl will bounce up and down.
- Before the end of the session, you will be asked to erase any notes in view of the proctor.
- If you experience technical issues during the test, you should speak with the proctor or contact ProctorU® at **+1-855-772-8678**.

What to Expect On Test Day: At a Test Center

At the Test Center: What You Need to Bring

Note: All test centers are following prevention steps to reduce the risk of spreading COVID-19. Be sure to check with your local test center for a complete list of health and safety procedures.

- You must have acceptable and valid ID with your name, signature and photograph.
 - ID requirements are strictly enforced.
 - Your official ID documents must exactly match your registration or you may not be able to test.
- Follow the policies and procedures explained on the *GRE*[®] website and in the *GRE*[®] *Information Bulletin* about what is allowed.
 - Personal items other than ID documents are not allowed in the testing room and cannot be accessed during the break, except for food, beverages or medication. This includes any phones; tablets; all wearable technology; all watches; and any other electronic, recording, listening, scanning or photographic devices.
 - You may not access your phone during the test or during breaks to check messages or to check the time.

For more information, visit www.ets.org/gre.

At the Test Center: Before the Start of the Test

- Your photograph will be taken.
- A sample of your handwriting will be collected.
- You may be asked to empty your pockets, raise your pant legs above your ankles, pull up your sleeves above your wrists for visual inspection, and you may be scanned with a handheld metal detector wand. You may also be required to remove your eyeglasses for close visual inspection. Additional visual inspections of clothing, footwear, and ID documents may also be conducted. Such inspections are conducted during check-in and upon return from breaks.
- You will receive a writing utensil and a supply of scratch paper.
 - You will be able to replenish your supply of scratch paper, as necessary, throughout the entire test administration.
 - You will not be allowed to take scratch paper from the test center.
- The testing room will have proctors and electronic surveillance.

At the Test Center: During the Test

- The test uses a standard English-language (QWERTY) computer keyboard. It takes its name from the first 6 letters in the third row of the keyboard.
- If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- Testing premises are subject to video recording.
- There is an optional 10-minute break after the third section and one-minute breaks between the remaining sections of the test. These break times cannot be exceeded. You are required to remain in the test center building or in the immediate area. You are not permitted to go outside the test center building unless it is to use the restroom during the test administration, including breaks.
- If you need to leave your seat at any time other than the break, raise your hand; timing of the section will not stop.

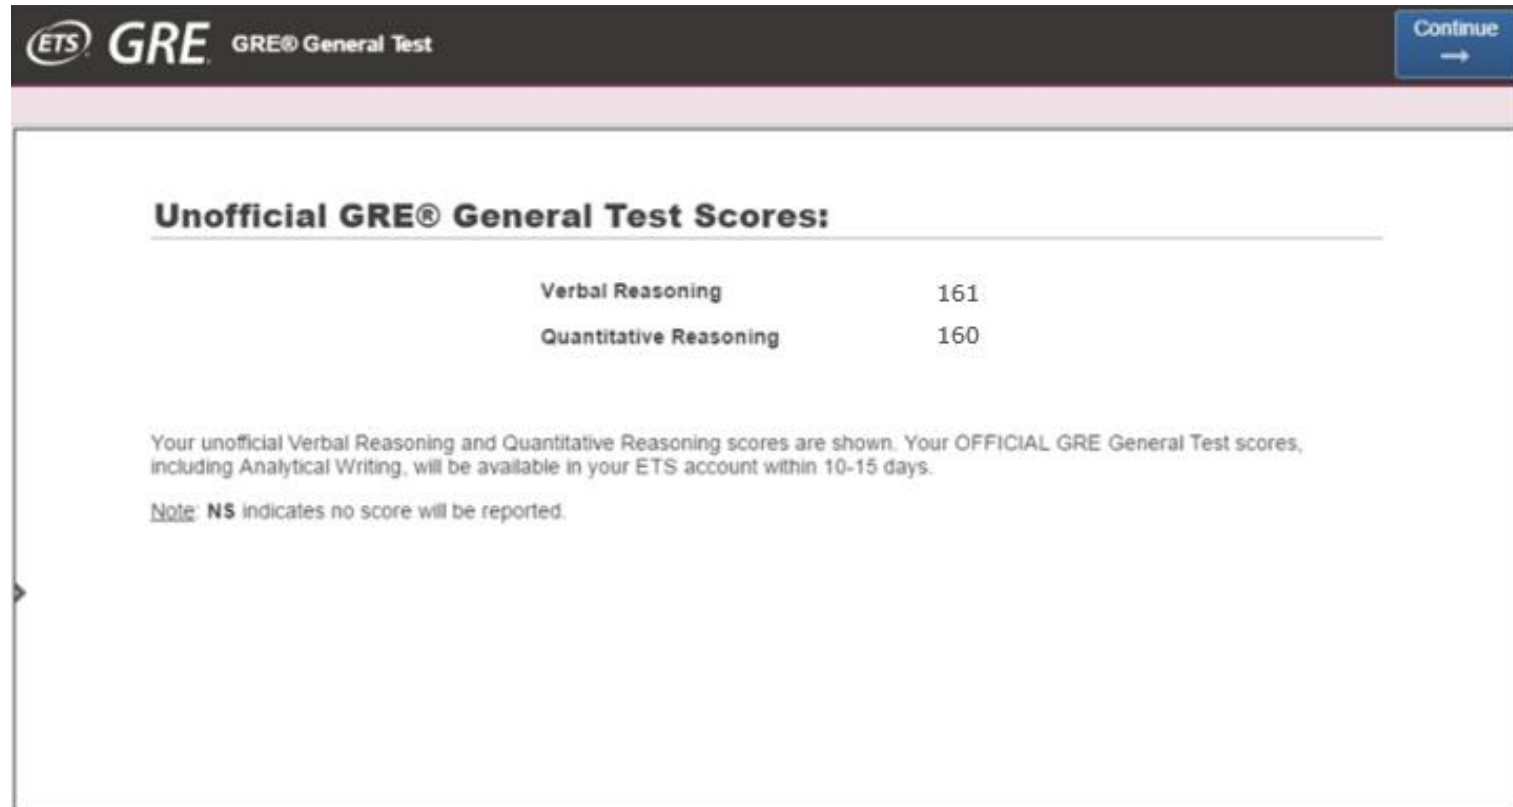

Getting and Sending Your Scores

Getting Your Unofficial Scores at the End of the Test

- After you have completed the test, you will have the option to:
 - Cancel your scores permanently (Not recommended)
 - Report (view) your unofficial scores
- If you choose to report your scores, you will see your scores for both the Verbal Reasoning and the Quantitative Reasoning measures
 - Your score on the Analytical Writing measure will not be available at this time due to the essay scoring process.

Viewing Your Unofficial Scores

If you choose to report your scores, you will see your unofficial scores on the screen.

The screenshot shows the ETS GRE General Test interface. At the top left is the ETS GRE logo and the text "GRE® General Test". At the top right is a blue "Continue" button with a right-pointing arrow. The main content area is titled "Unofficial GRE® General Test Scores:" and contains a table with two rows of scores. Below the table is a paragraph of text explaining that the scores shown are unofficial and that official scores, including Analytical Writing, will be available in the user's ETS account within 10-15 days. A note at the bottom states that "NS" indicates no score will be reported.

Unofficial GRE® General Test Scores:	
Verbal Reasoning	161
Quantitative Reasoning	160

Your unofficial Verbal Reasoning and Quantitative Reasoning scores are shown. Your OFFICIAL GRE General Test scores, including Analytical Writing, will be available in your ETS account within 10-15 days.

Note: **NS** indicates no score will be reported.

Designating Institutions to Receive Your Scores

- After viewing your unofficial Verbal Reasoning and Quantitative Reasoning scores, you will be asked to designate up to four score recipients you want to receive your official *GRE*[®] General Test scores.
 - These score reports are part of your test fee.
 - You can decide to use your 4 free score reports at the end of your test OR decide not to send any scores *at that time*
- After you exit the test administration and after test day, you can send additional score reports for a fee.

Put Your Best Scores Forward with the *ScoreSelect*[®] Option

On Test Day

You can view your scores at the end of your test.

Use your 4 FREE score reports

- **Most Recent** option – Send scores from most recent test
- **All** option – Send scores from all tests in the last 5 years

After Test Day

You can view your scores via your ETS Account.

Use Additional Score Reports

- **Most Recent** option – Send scores from most recent test
- **All** option – Send scores from all tests in the last 5 years
- **Any** option – Send scores from one OR many tests in the last 5 years

Note: Some schools want to see applicants' scores from all GRE tests they have taken. We advise you to check with the schools to which you are applying for their requirements.

Choosing Where to Send Your Scores On Test Day

ETS GRE GRE® General Test

Select Your Score Recipients

If you know where you want to send your test scores, you can select up to four (4) institutions now as part of your test fee. You can choose to send scores from your most recent test administration or from all your test administrations. Select the institutions by clicking "Add a Score Recipient" below.

If you prefer, you can select score recipients at a later date for a fee through your ETS Account. At that time, you can choose to send scores from your most recent test administration, from all your test administrations, or from any specific test administration(s).
